Exhibit 4

Part 6 of Vermont Rule H-2009-03 Opportunities for Improvement

Cigna has met our standard access requirements for all specialties and therefore, there is no improvement specifically identified.

Cigna's network is currently open and accepting providers and facilities that meet credentialing requirements and will agree to contract terms.

If a participating provider is not available within a reasonable time or distance, Cigna's policy allows members to see non-participating providers within a reasonable distance and they will be covered and approved at the appropriate benefit level.
