Michael S. Pieciak, Commissioner Department of Financial Regulation 89 Main Street Montpelier, VT 05620-3101

Dear Commissioner Pieciak:

Pursuant to the November 29, 2018 examination order, the Insurance Division's financial examination team has conducted an examination of:

## Wake Robin Corporation

with their offices located at 200 Wake Robin Drive Shelburne, VT 05482

The examination was performed pursuant to 8 V.S.A. §3563 in order to ascertain the Company's financial condition, ability to fulfill its obligations and compliance with the provisions of Vermont law.

#### **SCOPE OF EXAMINATION**

As of December 31, 2018, the financial examination of Wake Robin Corporation (the "Corporation" or "Company") was performed. The Corporation's last financial condition examination conducted by the Vermont Department of Financial Regulation (the "Department") was as of December 31, 2013 for the previous five-year period.

The examination was conducted pursuant to 8 V.S.A. §3563 and guidance provided by the National Association of Insurance Commissioners ("NAIC"). The examination covered the period from January 1, 2014 through December 31, 2018. The Department conducted the examination in accordance with NAIC *Financial Condition Examiners Handbook* ("Handbook"). The Handbook requires that the Department plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Corporation and evaluate system controls and procedures used to mitigate those risks. The examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Corporation were considered in accordance with the riskfocused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with applicable Accounting Principles. The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Corporation's financial statements.

This examination report includes significant findings of fact, as mentioned in 8 V.S.A. §3574 and general information about the insurer and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Corporation.

#### **SUMMARY OF SIGNIFICANT FINDINGS**

There were no findings in the prior exam report or the current exam report. There were no adjustments made to the annual statement based on this examination.

#### **HISTORY**

Wake Robin is a nonprofit (501(C)(3)) corporation, operating as a Continuing Care Retirement Community ("CCRC"). The Corporation is regulated by the Vermont Department of Financial Regulation, Division of Insurance, due to their insurance type-offering of nursing, medical, health, and health-related services for the duration of an individual's life. Regulatory authority is derived from Vermont Statutes Annotated, Title 8, Chapter 151, Continuing Care Retirement Communities. The Corporation is Vermont's first and only CCRC and currently consists of 212 independent living units, a community center and a health center with 31 units for residential care, and 51 units for skilled nursing. Located on 136 acres in Shelburne, VT, the Corporation was organized in 1984 and admitted its first residents in the summer of 1993. In 2017 Wake Robin began a construction project to expand the facility, to add 38 independent living apartments, 10 residential care units, and 6 skilled care units. The CCRC provides residents with a living unit, use of the health center, and other facilities and services for the resident's lifetime. Residents pay a one-time entrance fee and monthly fees during the time the individual resides in a Wake Robin unit.

In 2011, the Corporation formed Wake Robin Management, LLC ("WRM"), a wholly owned subsidiary that manages a retirement community. WRM offers management services, financial and accounting procedures, and personnel administration to provide quality independent living and assisted living services to the community's residents. WRM is incorporated under the laws of the State of Vermont as a limited liability company. WRM became operationally in-active in 2015.

#### **MANAGEMENT AND CONTROL**

#### **Corporate Records**

The Corporation's headquarters and administrative offices are located in Shelburne, Vermont. The Articles of Incorporation, By-Laws and minutes of the Board of Directors meetings held

during the period under examination were reviewed. Based upon that review, the Corporation is conducting its affairs in accordance with the By-Laws of the Corporation. The recorded minutes of these meetings adequately documented approval and oversight of the Corporation's investment transactions, other material transactions, events and changes in directors.

#### **Board of Directors**

The business affairs of the Corporation are managed under the direction of the Board of Directors. Board of Directors need not be residents of the State of Vermont. Unless authorized by the Vermont Nonprofit Corporation Act (the "Act"), not more than 49% of the Directors may be "financially interested persons" as such term is defined in the Act. The Board of Directors consists of thirteen members or such other number (but not less than seven) as may be determined by a resolution of the Board. No Director may serve more than three terms, except that: (a) one additional term may be allowed after the completion of three terms and after being off the Board for at least one year; (b) the term of the Chair of the Board may be extended beyond the threeterm limit for directors as necessary to permit that director to serve as Chair of the Board for up to three years; and (c) the term of the Immediate Past Chair may be extended for one year beyond the three-term limit for directors in the event that the director has completed three terms at the termination of his or her office as Chair of the Board of Directors. Notwithstanding the foregoing, any director who is a resident of the Corporation's continuing care retirement community may serve not more than one term. The election of Directors is yearly, with approximately one third of the Directors being elected each year. Former Directors may be elected as Directors Emeritus, who will have the right to attend meetings, but not the right to vote.

Regular meetings of the Board of Directors are held quarterly or more often, at times and places fixed by the Board at its first meeting of the year or otherwise. Special meetings of the Board of Directors are called by the Chair or by a majority of the Directors. A majority of the Board of Directors constitutes a quorum at all meetings. An annual meeting of the Board of Directors is held during the month of March, April, May or June of each year, at a time and place determined by the Board.
