*Montpelier, VT* – The Vermont Regional Center (VRC) will pursue a motion for reconsideration with the United States Citizenship and Immigration Services (USCIS) regarding its September 25, 2019 decision affirming the closure of the VRC.

The decision to seek a motion for reconsideration was made after consultation with the VRC's EB-5 counsel and the impacted VRC projects. The VRC plans to file the motion on October 25, 2019 and will make the motion publicly available at that time.
