Exhibit 4

Part 6 of Vermont Rule H-2009-03 Opportunities for Improvement

Cigna has met our standard access requirements for all specialties and therefore, there is no improvement specifically identified.

Cigna's network is currently open and accepting providers and facilities that meet credentialing requirements and will agree to contract terms.

If a participating provider is not available within a reasonable time or distance, Cigna's policy allows members to see non-participating providers within a reasonable distance and they will be covered and approved at the appropriate benefit level.

National Committee for Quality Assurance

has awarded

Cigna Health and Life Insurance Company - Vermont

Commercial PPO

an accreditation status of

Accredited

for service and clinical quality that meet or exceed NCQA's rigorous requirements for consumer protection and quality improvement.
