\*NOTE: The Vermont Captive Insurance Tax Returns (CPT) and payments are to be filed no later than March 15th and are to be electronically filed and paid via the Vermont Department of Taxes online system. https://www.myvtax.vermont.gov//

\*\* NOTE: For our domestic filing due date references of "Prior to", for our purposes we interpret the date to be the same as would fall under our domestic filing due date reference "On or before". Example: If the due date is Prior to March 15th, we consider the filing due date to be no later than March 15th, after which an extension would need to be requested. If a statutory due date falls on a weekend or a public holiday, it would then fall as due by the next business day.
